11 (valentina nasonova), corresponding member of ussr acad of medical sci, on recent appeal of soviet scientists, pointing to responsibility of medical profession to preserve life, stressing lively response and support of soviet medical scientists to appeal. (enginter 1300)

12 interview with portuguese scientist (vilela mendes) hailing soviet scientists' appeal against nuclear war, criticizing u.s. nuclear missiles plan. (3 min: port 202000)

13 lev nikolayev on pentagon plan to spend 10 billion dollars on research and development of new types of arms, recalling u.s. use of chemical weapons in asia, claiming usa stores chemical weapons at diego garcia and in pakistan. quotes indian press on development of biological weapons at lahore research center. contends that pentagon program will promote development of new weapons of mass destruction. (4.5 min: engsa 1400)

14 anon on reagan's decision to deploy 100 mx missiles. (rpt enginter 201300) (enginter 0800 1100 spancuba 0100 finnish 201530 greek 201800 jap 201200 hindi 1130 thai 1100; attrib igor penchenko: german 0900)

15 rudolf kolchanov on various u.s. claims that ussr has

US nuc weap arms
Military superiority, contending that such claims are false,
as approximate parity currently exists in both nuclear and
strategic weapons, and that u.s. claims are designed to justify
arms program which would achieve u.s. nuclear superiority.
reiterates that ussr would reluctantly be obliged to keep pace
with any u.s. developments. (enginter 0700) *US*

US nuc war
16 vladislav kozhakov on u.s. administration devoting its
energies to preparations for nuclear war. says deployment of mx
missiles would be destabilizing, according to u.s. senators.
administration also decided to deploy new weapons in europe.

missile
according to official data u.s. nuclear warhead numbers would
double in 'eighties so washington's statements about peace look
truly hypocritical. administration has launched propaganda
campaign to sell its policies to american people. recalls
andropov's remarks on parity. (5 min: engna 2200) *US*

1d221100

US start disarm talk
17 anon on soviet-american geneva talks on limitation of nuclear
arms, and in particular on inclusion of french and british
missiles. for political as well as military, strategic and technical
reasons there is no other possibility than to include these
missiles, because they involve same risks as missiles of any other
country, and they are directed against ussr. ussr is ready to
reduce its missile potential to that of france and britain
together, but usa seems determined to cling to reagan's so-called
intermediate solution, which is unacceptable to ussr. (5 min:
